Evraz Group S.A. is one of the largest vertically-integrated steel and mining businesses. In 2006, Evraz Group produced 16.1 million tonnes of crude steel. Evraz Group's principal assets include three of the leading steel plants in Russia: Nizhny Tagil (NTMK) in the Urals region and West Siberian (Zapsib) and Novokuznetsk (NKMK) in Siberia, as well as Palini e Bertoli in Italy, Vitkovice Steel in the Czech Republic, and Evraz Oregon Steel Mills headquartered in the USA. Its fast-growing mining businesses comprise Evrazruda, the Kachkanarsky (KGOK) and Vysokogorsky (VGOK) iron ore mining complexes and equity interests in the Rapsadskaya and Yuzhkuzbassugol coal companies. The mining assets enable Evraz Group to be a vertically-integrated steel producer. Evraz Group also owns and operates the Nakhodka commercial sea port, in the Far East of Russia, which facilitates its access to Asian export markets. Evraz vanadium operations comprise Strategic Minerals Corporation, USA, and a 54.1% equity interest in Highveld Steel and Vanadium Corporation, South Africa.
